Explanation of Responses:

1. The performance-based restricted stock units, or PSUs, will be eligible to vest during a five-year performance period following the award's grant date based on the company's average stock price trading at each of the following milestones: \$60, \$75, \$90 and \$110 per share. Once a price threshold is achieved, the portion of the award related to that threshold will vest on the next regular quarterly vesting date, subject to the individual continuing to provide services to the company through the applicable vesting date.
